Red Sky is on the way

THE inaugural Red Sky Ride cycle tour rolls through Narrogin on Monday.

The group of 19 cyclists will pedal about 750km to raise up to \$15,000 for cancer care provider SolarisCare.

Spokesperson Debbie Young said the ride was dedicated to Carys Gilbert, 17, who lost her battle with cancer last year.

During her treatment, Carys used therapies available through a support centre operated by SolarisCare.

"Their services are fully integrated with mainstream medical care," Miss Young said. "They aim to provide patients with the tools to cope with the emotional and physical side effects of chemotherapy, radiotherapy and surgery."

Supporters are welcome to join the riders in Narrogin and throughout the Great Southern.
